A little while back, I was eating my lunch
When I got out an apple and took a big crunch.
The next thing you know, I was in a big chair
With my mouth open wide and my feet in the air.

And just as the dentist put in a huge filling
(My ears were half deaf with the noise of the drilling),
A really hard question came into my brain,
And my really hard question was DID GOD MAKE PAIN?

Then all sorts of crazy thoughts rushed through my mind.
Why was my great Grandma Nellie born blind?
Why did God make great big prickles and sores
And man-eating bears that can walk on all fours?
