ABOUT THE BOOK

In *Rapture Ready...or Not?* you will discover 15 reasons why we are on the brink of the great “snatching away.” Also included is an exhaustive list of fascinating topics that point specifically to what the strange, troubling things happening in a world seemingly gone insane means for the immediate future and beyond. This book is for this generation of readers who are confused and look upon a world that seems to have destroyed opportunity for a bright, abundant future. The Rapture is about to catastrophically strike an unsuspecting world of both unbelievers and believers. The good news is, Jesus Christ is the Shelter from the coming Tribulation storm of God’s wrath and judgment. So we must tell the world!

ENDORSEMENT:

Terry James, my long-time friend and colleague in the study of Bible prophecy, has captured the essence of why this generation is likely to be left behind at the glorious moment when all born again believers are suddenly called into Christ’s presence. With most every signal given by Jesus and the Bible prophets pulsing in headline fashion across our hourly news, this book expresses the urgency of being spiritually prepared for prophetic things to come. *Rapture Ready...Or Not* is a particularly prescient book for these troubling, though exciting times so near the end of the age.

-Dr. Tim LaHaye, co-author of the *Left Behind* series

A GREAT BOOK FOR THE MILLENNIAL GENERATION

Don't be a "selfie". The next generation needs to know that Christ will be returning soon! Sadly, the Rapture is not a topic most young people are talking about over their mocha lattes or debating on social media. Rapture Ready is a great conversation starter and tool for young people with questions about the Rapture and their fate when it comes to the Rapture.

SUGGESTED INTERVIEW QUESTIONS:

1. What inspired you to write this book?

5. After reading the preface of the book, it sounds like your passion is very personal, can you share a little about that?

Additional Endorsements:

What a profound warning that the Tribulation hour is near and we need to get our houses in order—particularly spiritually. But this book also adds to the confidence of the pre-Trib Rapture that is now so under attack. My thanks to Terry James for defending this important theology.

- Jan Markell,
Olive Tree Ministries

Terry James writes with precision and passion as he documents the past, present and the soon-coming future. Terry's had a long and prolific writing career despite his blindness. I suspect God has purposefully given him "eyes to see" prophetic truth with a degree of clarity few experience, that all may more perfectly understand the riches of Bible prophecy. *RAPTURE READY...or not?* shows a firm grasp of history, abounds with insights and practical illustrations, and includes a plethora of Bible references. It will prove to be an invaluable resource for the serious Christian—and has the potential for birthing healthy alarm in the hearts of the carnally at ease.

- Pastor Larry Spargimino, Southwest Radio Ministries

Terry James has done it again! He has written a fascinating and challenging book about end time Bible prophecy that should appeal to Millennials as well as others. His concept of the timing of the Rapture is particularly challenging and should drive the readers into the Scriptures.
