

## DEAR PRODUCER,

We have a Christian author who would love to appear as a guest on your show. I am excited to give you a review copy of *As It Is Written* by Kenneth Gentry to see if you think he would be a fit.

Please do not hesitate to contact me if I can provide additional information or to schedule an interview.

God Bless,

Katie Gumm

## AUTHOR PLATFORM:

### Kenneth Gentry

is an author, speaker, pastor of Living Hope Presbyterian Church in Greenville, SC, and Executive Director of GoodBirth Ministries. He is

a graduate of Tennessee Temple University (B.A., cum laude), Reformed Theological Seminary (M. Div.), and Whitefield Theological Seminary (Th. M.; Th. D., summa cum laude). To learn more about Kenneth Gentry and to read samples of his writing, visit: [www.kennethgentry.com](http://www.kennethgentry.com)

## ABOUT THE BOOK

Why do we need to add to the Word of God when it is plainly written? The only reason is to make it fit a man-centered worldview. In *As It Is Written*, Kenneth Gentry presents a strong argument for taking the Word of God literally when it comes to the six days of creation, and sheds light on the flaws of a literary, figurative interpretation of the creation account found in Genesis 1.

This book explains and rebuts the framework hypothesis, which is a leading view in evangelical academic circles. This book is aimed at intelligent laymen, though with the academic reader in mind, with definitions of technical terms where they are necessary and Greek and Hebrew words transliterated.

*As It Is Written* by Kenneth Gentry  
Master Books/ January 2016  
978-0-89051-901-1  
Paper/ 240 pages

***“As It Is Written is a superb defense of six-day creation by one of the finest Bible scholars of our time. Dr. Gentry demonstrates that the text of Scripture is clear about the timescale of creation and that non-literalist views, such as the framework hypothesis, collapse under careful scrutiny.”***

- Dr. Jason Lisle, Director of Research, Institute for Creation Research

## SUGGESTED INTERVIEW QUESTIONS:

1. What inspired you to write this book?
2. What is the “framework hypothesis”?
3. Why is the literal interpretation of Genesis so important?
4. Is it correct that even some evangelicals accept the framework hypothesis?
5. Where did the framework hypothesis originate and what was its purpose?
6. Can you give us a few examples of flaws found in the framework argument?
7. What do you hope to achieve with this book?
8. Where can someone purchase a copy of this book to find out more?

## ADDITIONAL ENDORSEMENTS:

***With this book, Dr. Gentry has thrown down the gauntlet, especially for evangelicals, including Reformed and Presbyterian churches. This challenge confronts those views of the Genesis creation account that choose for the literary against the literal, for poetic metaphor instead of historical sequence. The arguments are lawyer-like in their cumulative force, and prophetic in their call to listen to the Bible’s very text. The author has served us well with his clearheaded writing and broad-based defense of the traditional understanding of God’s creation of the world in six sequential 24-hour days.***

-Dr. Nelson D. Kloosterman, Executive Director, Worldview Resources International

***As It Is Written: Dismantling the Framework Hypothesis is a book that helps guide readers across the debate between the traditional, six-day creation view, and the framework hypothesis or literary framework theory, which attempts to create a bridge between the Genesis account and modern secular science. Kenneth Gentry provides a detailed analysis and powerful refutation to the arguments in favor of the framework hypothesis, while clarifying the exegetical reasoning to defend the literal interpretation of these passages of Genesis. Clear, concise, and thought provoking!***

-Dr. Kevin Clauson, Academic Vice-President, Bryan College

***Kenneth Gentry provides a powerful response to the revisionist views of the Genesis creation narrative that arose as rebuttals to evolutionist attacks on Scripture. As It Is Written is a succinctly-documented, logically-flowing work for the layperson and scholar alike, focusing on the issues of the foundational truth of God’s Word from the first pages, and defending their literal nature over the literary structure that others are trying to impose. These are subjects of great concern, with a growing number of well-meaning biblical scholars yielding to the temptation to submit Scripture to a modernist view of science rather than letting its authority stand on its own.***

-Dr. Geoff Downes, Research Scientist, Commonwealth Scientific and Industrial Research Organization, Australia
