Hi! My name
is Mikey.

I want to tell
you about God's
mission.

God is at work in the world spreading
His love and bringing
people close to Him.
You can be part of
God's work in the world,
too. This is what God's
mission is all about.

John 5:17; 2 Corinthians 5:19

No one else is like God. God is so wonderful! Just think of all the things He has made — like bugs and raccoons and frogs and baboons! God wants everyone to know how wonderful He is.

Exodus 15:11; Isaiah 40:18-41:1

God loves the whole world. God wants people to be happy by being with Him. Real happiness only comes from God.

*Psalm 16:11;
Jeremiah 29:11;
Philippians 4:4*

When people try to find happiness without God, they do bad things called "sin." Sin makes God sad because it separates us from Him.

Ezekiel 18:4; Romans 3:23

Sin has
messed up
everything. Sin is the
reason people fight
and yell and hurt each
other.

Genesis 3:14-19; Romans 3:10-18
